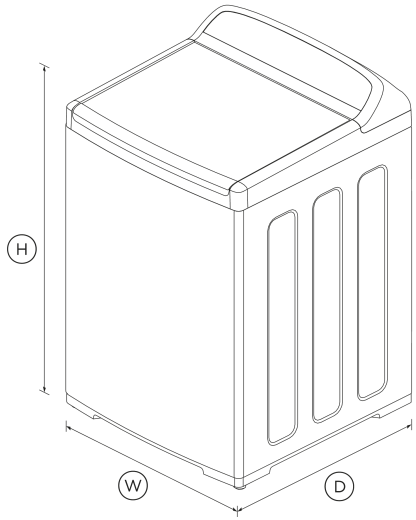
Height	**1045 - 1075 mm**
Width	**600 mm**
Depth	**600 mm**



FEATURES & BENEFITS

Fast Full Load

Fast cycle times allow you to wash a full 8.5kg load in as little as 59 minutes.

Easy To Use

This machine has a cycle to suit every type of load including Delicate, Allergy and Wool. Select a cycle with easy-to-use SmartTouch™ controls.

Soft Close Lid

The robust lid has a soft close mechanism that makes it family safe, avoids slamming and allows for hands-free operation.

Cares For Clothes

The flexible finned agitator ensures less tangling for superior clothes care.

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
