36" Series 9 DCS Cad Grill Cart

Series 9 | All

DCS Freestanding Grills combine the DCS Grill head unit with a transportable DCS Cart. The versatile DCS Cart comes in a range of sizes to suit your grill head, creating a compact outdoor kitchen solution wherever you choose.

 This model is compatible with Series 9 Grill BE1-36RC-N and BE1-36RC-L

DIMENSIONS

Height	902 mm
Width	914 mm

Depth 648 mm

FEATURES & BENEFITS

Handy Accessories

The optional side shelf kits offer a sturdy preparation or resting space, and fold down easily when not in use. Wood inserts can be added to the side shelves, creating convenient chopping board surfaces.

Flexible Storage

Featuring multiple storage compartments, the cart provides easy access to your condiments, smoker wood chips, serving trays or grill covers. A series of Cart accessories offer maximum flexibility - the LP tank drawer can be converted into a two-bin trash drawer or simply a large capacity storage drawer.

Premium Quality Design

Constructed from 304 grade stainless steel, and superior weld and finish, DCS Carts are built to last.

Family Match

The neutral stainless steel finish, refined handle profile and consistent detailing ensure DCS Built-in Products will install seamlessly into your desired countertop and cabinetry material palette.

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

QUICK REFERENCE GUIDE > CAD1-36

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
