# 60cm Series 7 Box Chimney Wall Rangehood

Contemporary

This Contemporary style rangehood extracts steam, grease and cooking odours quietly and efficiently.

- With three fan speeds plus boost, select the perfect extraction rate for your cooking
- Powerful maximum air movement of 780m³/hr
- Energy-efficient LED lighting to illuminate your cooking surface
- Pair with a compatible cooktop and the extraction rate will automatically adjust to suit your cooking
- Wi-Fi enabled for notifications through the SmartHQ™ app

**Where applicable:**

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
