FEATURES & BENEFITS

Even cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Easy access by design

Quad door design for customised storage options

DryZone™

Reduces moisture to keep your deli meats, cheese, pasta and nuts in optimum condition

Make your produce last longer

Humidity controlled vegetable bin helps retains moisture to preserve the nutrition and flavours of fresh fruit and vegetables

Freshness for the long haul

Lock in nutrients, flavour and appearance for the long term with SuperFreeze

Cold water on tap

Non-plumbed water dispenser for easy access to cool water
